

Diploma of Music Tuition

Nationally Accredited Award:
Diploma of Music and Certificate IV in Music

Government funded music courses*
\$0 Enrolment fee for 2012

This course is tailored for the experienced musician who wishes to gain nationally accredited qualifications to teach music as a professional in schools across the land. All students will be trained to a minimum of grade 3 AMEB Music Theory, and upon completion will gain a Certificate IV TAE (Training And Education) which enables employment as a teaching professional .

The tuition stream delivers to the student a comprehensive understanding of the modern Music Industry and the tools necessary to pass on their skill set to aspiring musicians of the future. Students also study the uses of Audio Software, technical skills and of course providing tuition to individuals and groups.
